Big Sky Dance Ensemble's Summer Workshop is a program for younger dancers who are preparing themselves for longer more intensive summer programs out of state and for returning Advanced dancers looking for additional classes and training to keep them in training shape throughout the summer months. The week long program will focus on classical ballet technique, pointe & variations, modern technique, and pilates. The workshop will culminate with an ending demonstration that is open to friends and family as well as a piece performed at the Sweet Pea Festival.

Ages include:

Intermediate & Advanced ballet dancers (ages 9 and up)
