1 hour classes cost \$52 per month or \$198 per semester (5% discount built in)

Note*There are two semester payments per dance year and 8 monthly payments due by the first of each month. Bills are not sent out, so please take the initiative to mail in a check, hand the check to your teacher, or pay in advance utilizing the semester payment plan. Also, familiarize yourself with our website and any other information that will help maximize you and your child's dance experience this year.

Dance Day:

Mondays; October 4, 2010 through June 6th 2011 (with major holidays off, check website for details)

Performance Recital:

We love including our Big Sky Dancers in our Bozeman Spring Recital production. All dancers enrolled are included in this exciting event. A costume is ordered for them in December for our spring show in June at the Willson auditorium. A one time payment of \$60 is due at the studio office by December 1st. The instructor will choreograph during class time so it is important that your family informs us of any impending extended absences so we can make any choreographic adjustments.

Communication: Due to the nature of the facility in Big Sky it is difficult for the dance instructor to conduct any business regarding your account, registrations etc. while she is in Big Sky to teach. Please help to insure a stress free working environment for your dance instructor by only conducting your child's accounting needs through Dana Sorg the Director of MSDT at the Bozeman office via email, phone or by mailing payments to the address listed below. You may give her exact tuition monies in check form only. Please don't arrive unless you have pre registered and always visit our new website for important information regarding policies and procedures etc. which apply to Big Sky dance families too at www.mainstreetdancetheatre.com.

Address:

**Main Street Dance Theatre
2304 North 7th Ave Ste C-3
Bozeman, MT 59715**
